LUXURY BOUTIQUE HOTELS

"A privately-owned Small Luxury Boutique Hotel with a chic but casual atmosphere."

Although we meet the official government criteria of a 5-star property, we do not have a restaurant, a spa, and a formal bellman at the front door. We do not want to mislead our future guests who attribute these specific amenities to their image of a 5-star property, although we do of course provide portage and turn down. And, as always, our commitment to 5-star service is at the forefront of our day-to-day operations.
